

- The campaign is only valid for individual daily rentals from Garenta until 31 December 2023.
- Emaar Mobile users can benefit from the campaigns with the mobile coupon code they will get from the application.
- The campaign code will be only received via the Emaar Mobile application.
- Campaign codes are for single use only.
- Within the scope of the campaign, a 35% discount is provided over the “pay at branch” price for all vehicle groups in the branch to be rented.
- The campaign can not be combined with other campaigns.
- Rent prices include VAT.
- Only the person who has a valid driving license with T.C.K.N. (national ID number) can benefit from the campaign.
- The credit card to be used during the rental must be in the name of the lessor.
- The collateral amounts belonging to the group of the relevant vehicle are collected from the personal credit card of the lessee at the beginning of the rental.
- Prices include 7/24 Roadside Assistance Service, Mandatory Traffic Insurance, Periodic Maintenance, and Replacement Vehicle Service.
- The vehicle models mentioned are considered as examples of the relevant group, and at the time of rental, service can be provided with a vehicle other than the relevant vehicle group.
- There may be differences between the equipment of the vehicles mentioned and the vehicles offered for rent.
- The campaign is limited to Garenta fleet facilities and stocks.
- The daily usage limit for our vehicles is 500 kilometers, and the monthly usage limit varies between 3,000 and 4,000 kilometers depending on the vehicle group. If the daily usage totals exceed the monthly limit, the limit-exceeding fee will be charged.
- Garenta General Rental Conditions are applied for matters not specified in the campaign conditions.
- Garenta and/or EMAAR reserve the right to change the campaign conditions and/or stop the campaign before the campaign due date
